An involuntary transfer shall be made if, in the opinion of the Employer, circumstances existing require the transfer of an employee from his/her present classification to another. A reassignment is a change from one assignment to another within the same classification.

SECTION 5

Notice of an involuntary transfer or reassignment shall be given in writing to employees seven (7) days prior to the effective date of the transfer or reassignment unless an emergency exists, in which case an employee will be given notice as soon as necessity for change is known.

SECTION 6 (Shift bidding in the Police Department)

An employee may request a change in shift by filing with the Chief's office prior to the announcement of specific vacancies. In the event of an opening or a regular shift change, the Chief will review the previously filed requests giving consideration to: 1) ability to perform as determined by the Chief, and, 2) seniority. Such requests must be limited to shift preferences and not to particular districts or duties.
